Summary:

My name is Garrett Faulkner. I am capable of creating a wide variety of concept designs on weapons and characters for videogames and movies. I am applying to become a concept artist. I am a recent graduate of Texas State Technical College and ready to get out into the world. One of my most recent accomplishments was having posters printed for a customer.

Education:

September 2014- December 2015, Texas State Technical College
    Associate's Degree in Digital Arts and Concept Design
September 2009- May 2013, Jim Ned High School
    High School Degree

Skills:

- Has a understanding and is familiar with the basics of Photoshop
- Capable of creating proper human anatomy and proportions
- Took classes on all major fronts of digital art including Character Design
- Uses Photoshop, ClipStudio Paint, and Illustrator
- Can also use google Sketchup if needed

Job Experience:

March 2014-August 2014, Perini Ranch Steakhouse
    Positions held: Dishwasher
I ran head of dish pit on occasions and worked in a timeframe, so slacking off was not an option.

August 2012-March 2014, United Supermarkets
    Positions held: Sacker, Stocker, and Deli Worker
I worked with a team of workers in similar departments, and was put in charge at times where managers and assistant managers were out. I also worked customer service and assisted people who had any trouble.
